

Create your own... Fabergé Inspired Eggs

You will need:

- Polystyrene Eggs
- PVA Glue
- Acrylic Paint
- Ribbon, Twine or Pipe Cleaners
- Gems, Sequins or Glitter

How to make:

- 1 Choose a base colour for your egg using acrylic paint
- 2 Whilst the paint is wet, add a little glitter to create a shimmer
- 3 Use PVA glue to attach ribbon, twine or pipe cleaners to create the segments of your egg
- 4 Add gems and sequins to make your egg a one off masterpiece
- 5 Use a coiled pipe cleaner underneath your egg to create a stand so you can display it proudly!
