

Create your own... Garden Den

You will need:

- A couple of chairs
- Two blankets
- A few pillows
- Pegs
- An adult to help

How to make:

- 1 Firstly, place your chairs on opposite sides, a few feet away from each other, with the back facing the inside of your den.
- 2 Throw a big blanket over the chairs, and pin it down to the grass with a peg. Use a few pegs to make it secure.
- 3 Finally, decorate your den with lots of pillows and blankets to make it cosy! Use extra chairs if you would like a bigger den.
