

MAKE YOUR OWN BEACH SCENE!

STEP 1

Choose the features you'd like in your beach scene, then colour and decorate them.

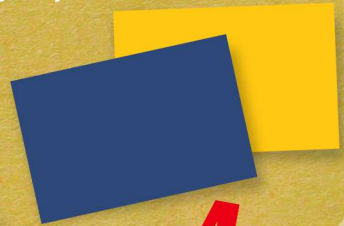

STEP 2

Carefully cut out the different pieces ready to add to your scene!

STEP 3

Take a big piece of card and use your Pritt Stick to glue some yellow paper to act as sand.

STEP 4

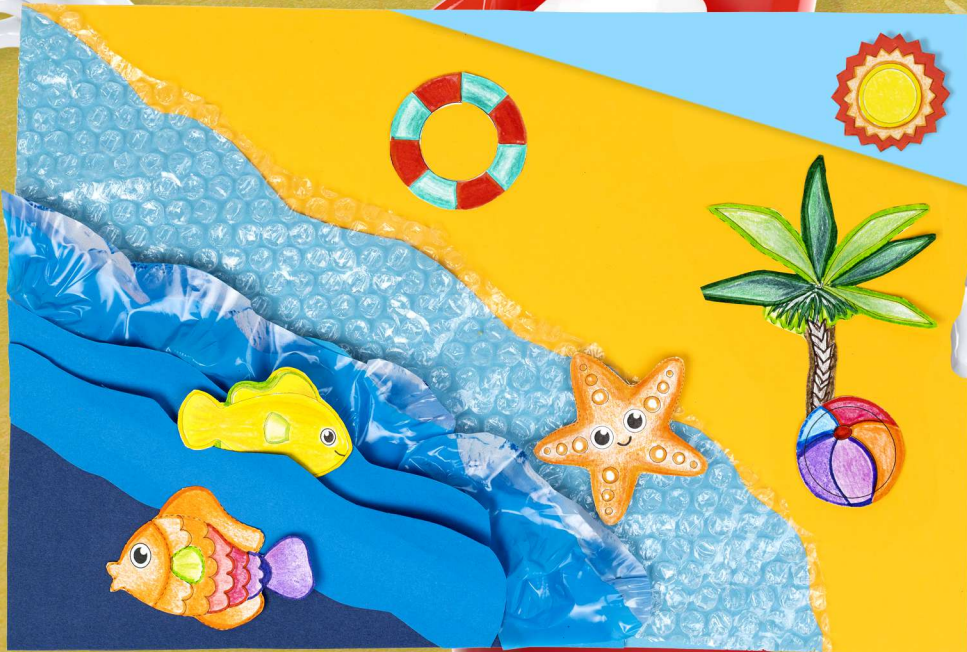

To make the sky, repeat with blue paper and stick to the top of the card.

STEP 5

Decorate the bottom with blue paper or tissue paper, to make the sea. You could use recycled bubble wrap to add waves and texture!

STEP 6

Use your Pritt Stick to glue your chosen features to your scene. Enjoy!

You will need

- Pritt Stick
- Coloured card
- Tissue paper
- Coloured pencils / pens
- Scissors
- Bubble wrap

Why not?

Use a variety of recycled items to make your scene as colourful and reflective as possible, like foil and sweet wrappers!
