

MAKE YOUR OWN MOBILE OF THE THINGS YOU LOVE!

STEP 1

Cut 2 strips from the cardboard and cut a slot at the center, so both strips lock together. Make 9 holes for the string.

STEP 2

Draw and cut out images of the things you love to hang on the mobile! You will need 2 of each image for the mobile to work. Repeat until all images are created!

STEP 3

Paint or colour your images in! Then, using your Pritt stick, glue both sides of the same image together to make it sturdy.

STEP 4

Stick each one of the images onto a string. Tie them onto the mobile. Tie a string around the centre of the mobile and hang it up!

You will need

- A big piece of cardboard
- Pritt Stick
- String
- Paints or felt tip pens
