A black and white line drawing of a forest scene. The drawing is composed of simple, bold lines. In the center, the text "Hey, you :)" is written in a casual, hand-drawn font. The background features several trees with varying leaf patterns, some with pointed leaves and others with more rounded, clustered leaves. A path or stream winds through the trees, leading towards the center of the image. The overall style is minimalist and illustrative.

Hey, you :)
