

# How to make Paper Bunting

## You will need:

- A4 Paper
- Ruler
- Scissors
- Hole punch
- String/Ribbon

## How to make your bunting:

- 1** Find the centre of either the long or short side of the paper and cut from this point to the opposite corners.
- 2** Use a hole punch or sharp pencil to put a hole in the two top corners of the triangle you have cut out. Don't go too close to the edges!
- 3** Thread the string or ribbon through the holes and repeat until you have a chain of colourful bunting to decorate your celebration!
