

1

TAKE SOME PIECES
OF COLOURED PAPER AND
FOLD THEM IN HALF.

STACK THEM SO THAT THE FOLDED
SIDE ALTERNATES FROM RIGHT TO LEFT.

2

USING YOUR PRITT STICK,
GLUE TOGETHER THE
OVERLAPPING SURFACES
TO CREATE AN ACCORDION.

3

NOW STICK YOUR PICTURES IN THE CENTRE OF EACH PAPER HALF.

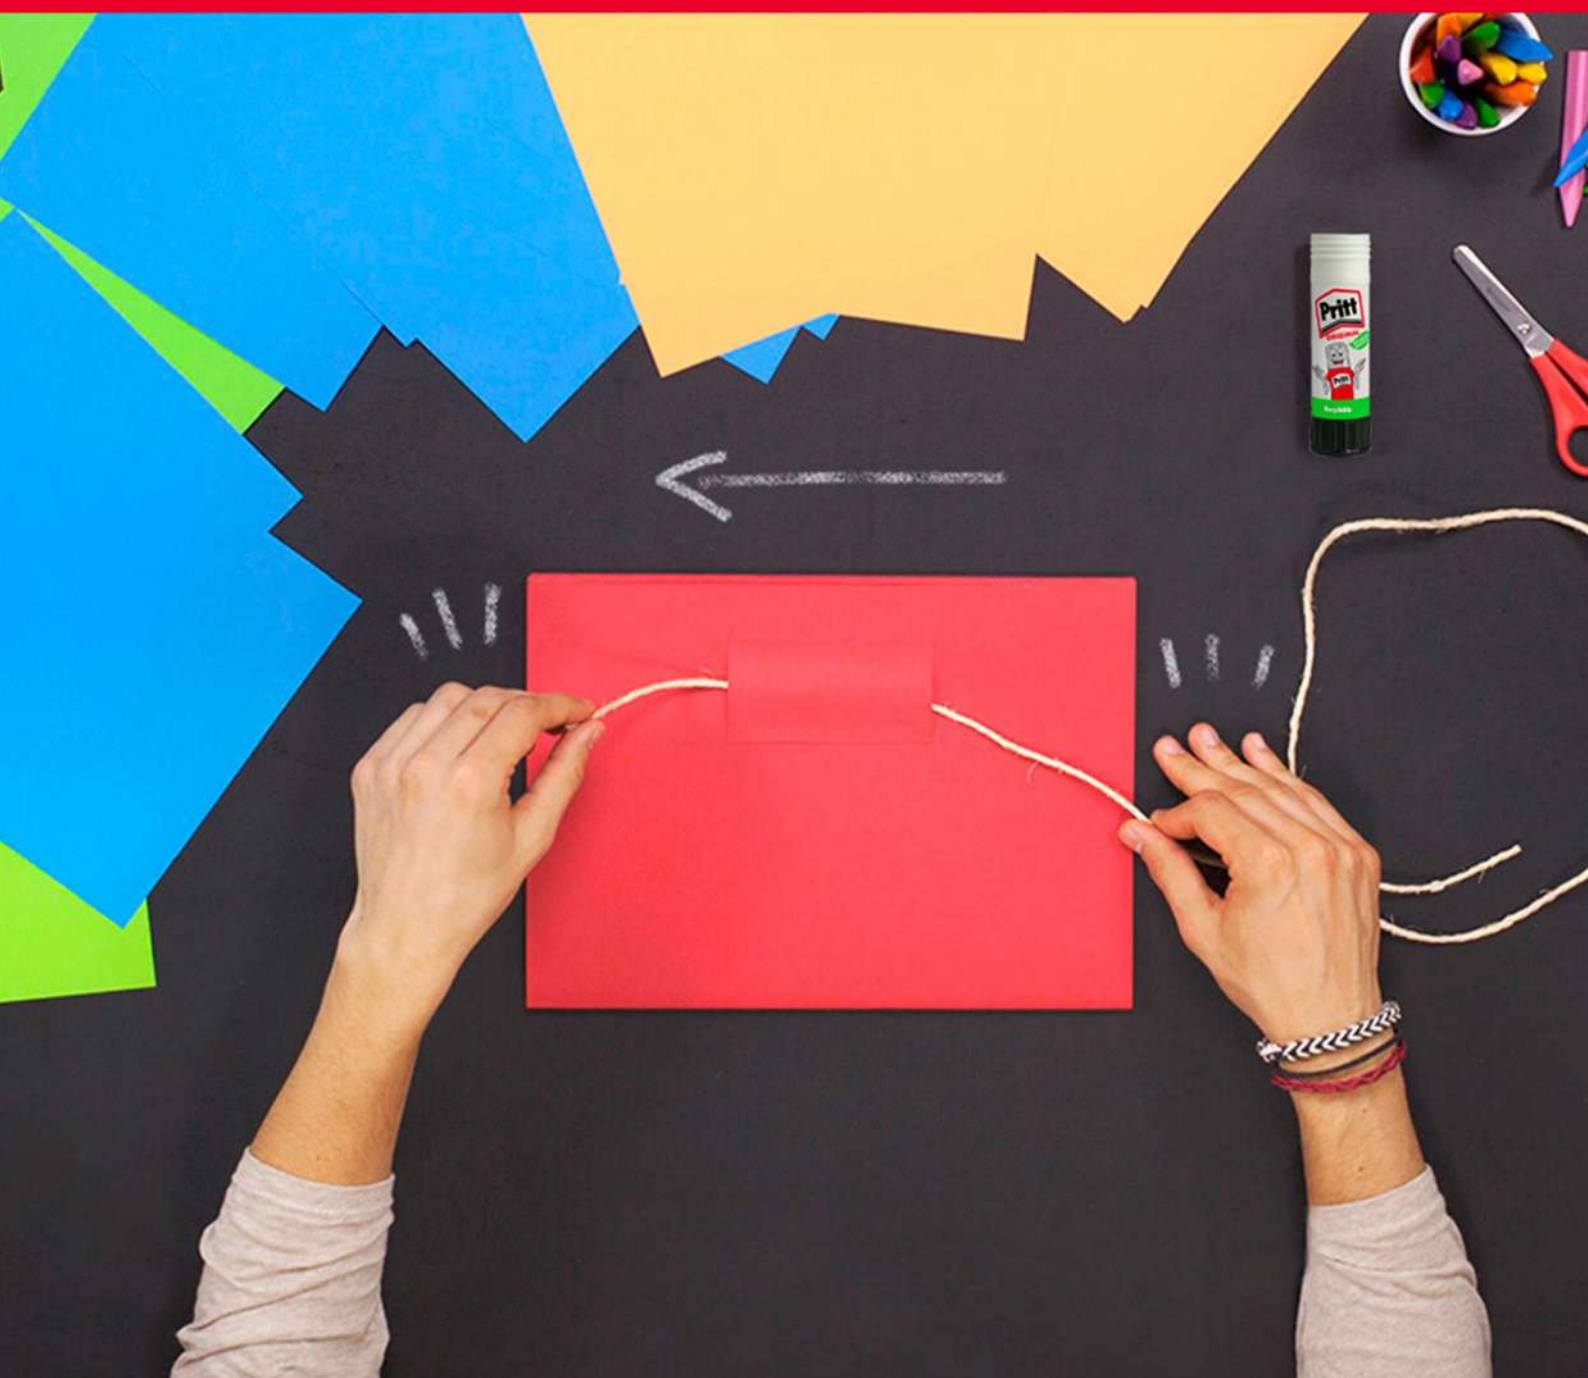

PERSONALISE IT BY ADDING TEXT AND DRAWINGS AROUND THE PICTURES.

4

WHEN DONE, GLUE THE EDGES OF A SMALL RECTANGULAR PIECE OF PAPER ONTO THE BACK SO IT MAKES A TUNNEL.

PUSH A STRING THROUGH THE TUNNEL AND USE IT TO CLOSE YOUR NEW FOLDING PICTURE FRAME!

WAVE AT ALL YOUR LOVED ONES

AND DISPLAY YOUR CREATION
SO EVERYONE CAN SEE!

**Everything
you can imagine**
