We have a range of fun props too! These will help direct hunters to the clues and cheer them on along the way.

Good luck and have fun!

1

To begin your search, here is your first clue... Your clue is warm and cosy, in a place where you lay your head, it's all tucked up and sleepy the question is which bed?

2

A harder one now, you will have to think; look for something that's the colour pink.

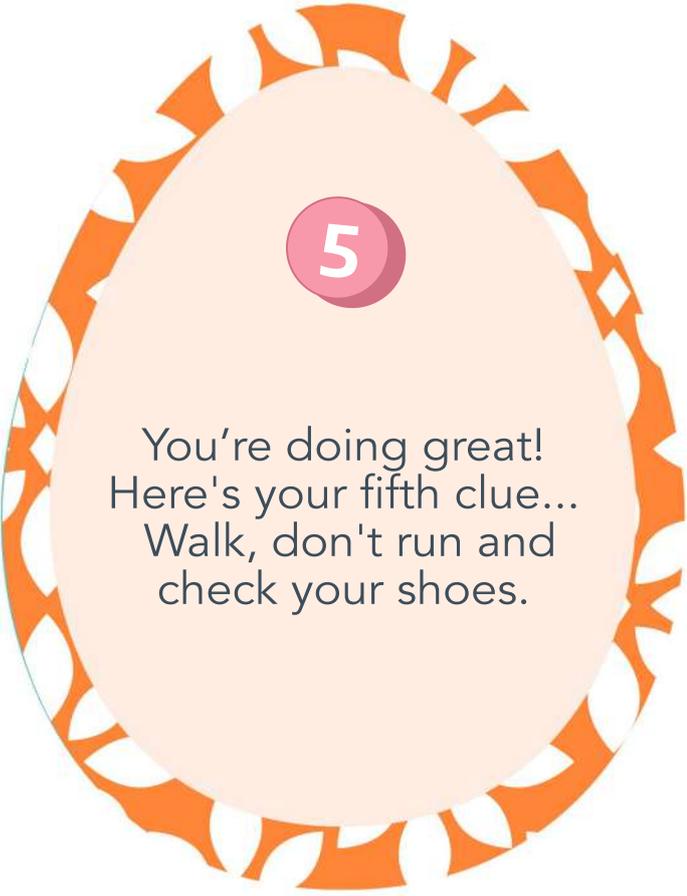

3

This next clue is rather chilly... If you want to store some food, this can help to keep it nice. It will often contain Chips Pizza, Peas as well as lots of ice.

4

We hope this clue is not spinning around with lots of soapy bubbles. If somebody turns this machine on the poor clue will be in trouble.

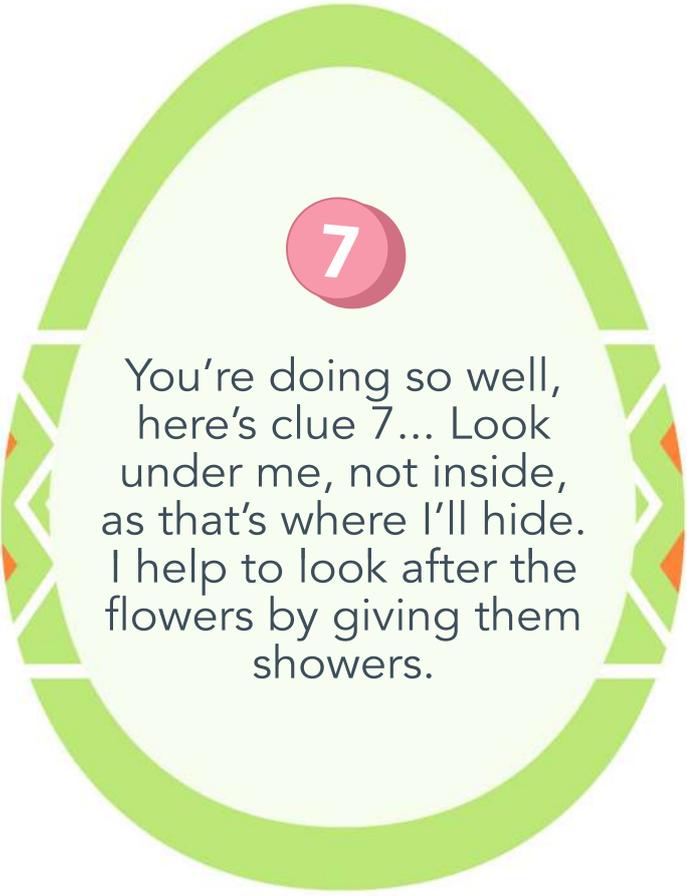

5

You're doing great!
Here's your fifth clue...
Walk, don't run and
check your shoes.

6

Let's head outside, the
weather is good. You'll
need one of these first,
and check your hood!

7

You're doing so well,
here's clue 7... Look
under me, not inside,
as that's where I'll hide.
I help to look after the
flowers by giving them
showers.

8

This is a little bit easier.
Clue number 8, it's by
your gate - don't leave
it hanging, as it might
be too late.

9

Being outside is fun but we need to be careful in the sun, clue number 9 will help to protect you from the glare.

10

Last one, so it's going to be tough, but it's ok, we know you're good enough. You will find your prize hidden away from prying eyes, where you keep your favourite book. You know where it is, so let's take a look.

Don't forget to use our fun props to help direct and cheer you on during your Easter Egg Hunt!
