

## How to make your own ..... Clown Mask

### STEP BY STEP:

- 1** Trace your child's hand print on a sheet of coloured paper. Cut out the hand print with scissors, they will become the clown's hair.
- 2** Cut out a large triangle for the clown's hat and smaller triangles for around the clown's eyes.
- 3** Glue the hair, hat, googly eyes, pom-poms and eye triangles to the paper plate.
- 4** Cut out a large red mouth from coloured paper and draw a line in the middle of it. Glue it in place for the clown's mouth.
- 5** Glue your lolly stick to the back of the paper plate.
