## You will need:

- ❑ A pebble or stone
- ❑ White chalk
- ❑ A paint brush
- ❑ Acrylic paints
- ❑ A Sharpie

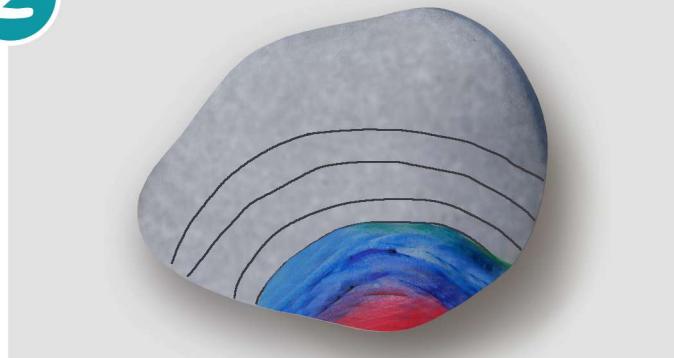

## How to make:

1

Firstly, with an adult to help, use a Sharpie to draw your rainbow shapes on the pebble.

2

Start painting your pebble from the bottom using a clean brush and acrylic paint.

3

Carry on working your way upwards using different colours - then let it dry.

4

Finally, using chalk and your fingers, smudge some clouds around your rainbow!
